

# Full-Service Community Schools

FSCS provides comprehensive academic, social, and health services for students, students' family members, and community members that will result in improved educational outcomes. These pipeline services fall under the four pillars of community schools and include:

## I. Integrated Student Supports

- o Social, health, nutrition, and mental health services and supports
- o Juvenile crime prevention and rehabilitation programs

## II. Expanded and Enriched Learning Time and Opportunities

- o Early childhood education programs
- o Out-of-school-time programs
- o Support for a child's education transitions
- o Activities that support post-secondary and workforce readiness

## III. Active Family and Community Engagement

- o Family and community engagement
- o Community-based support for students

## IV. Collaborative Leadership and Practices

- o Each community school tailors the chosen pipeline services to local needs. FSCS offers support for capacity building and development grants, multi-LEA grant, and State scaling grants
